The Search Begins . . .

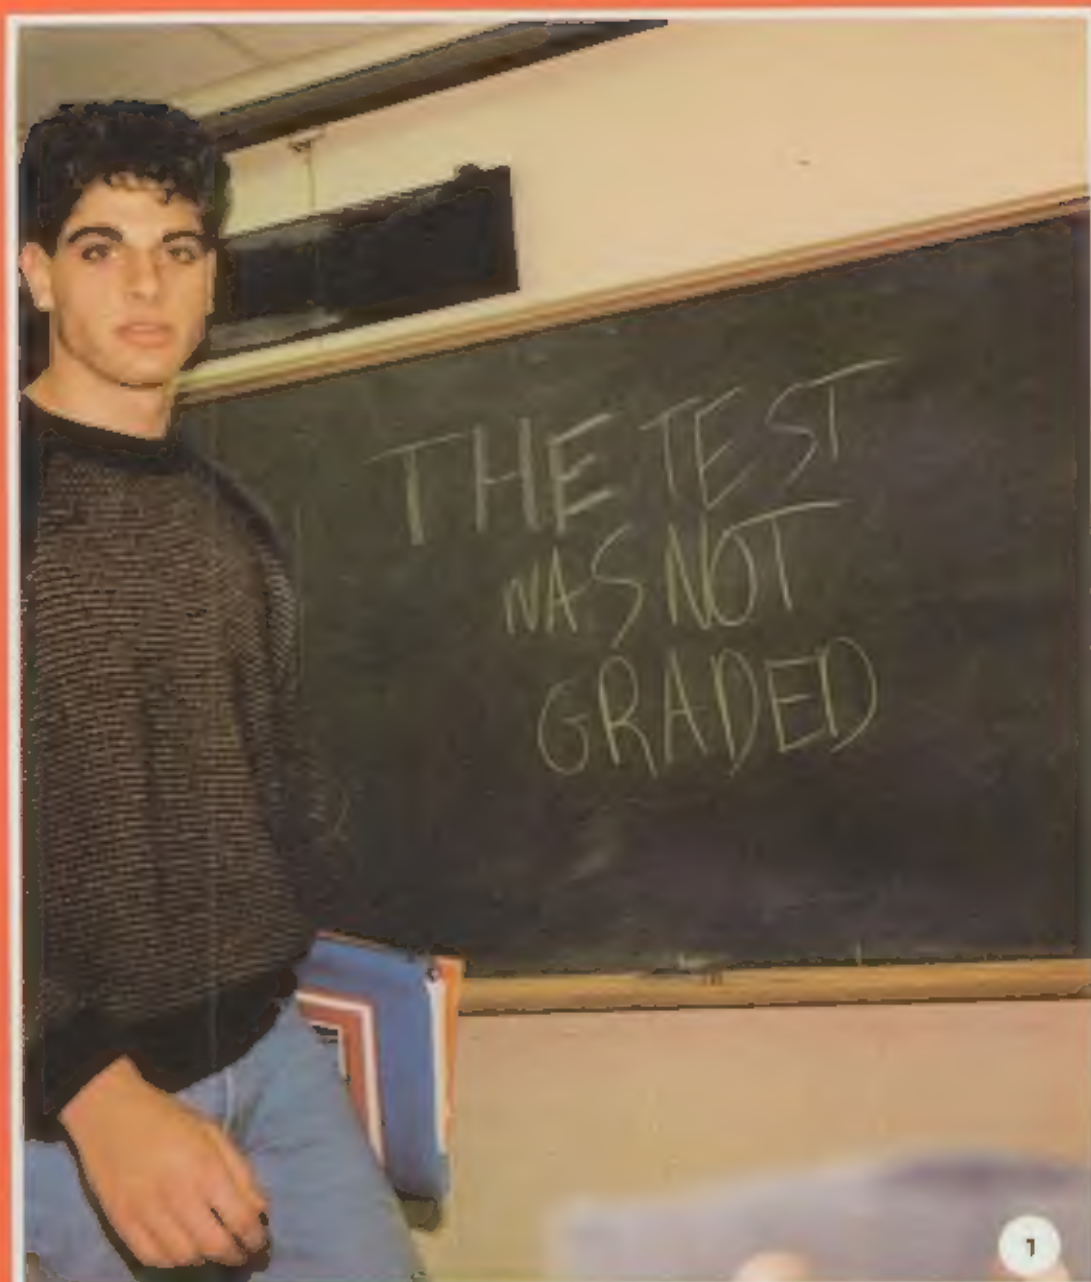

The search begins . . . the year, nineteen hundred and eighty-five, the place, Homewood-Flossmoor High School. Here we begin our odyssey in search of the solution to the case, "The Adventure of the Lost Student." Our search for clues will take us through the various aspects of life at H-F. We will encounter football and baseball, soccer and track, Homecoming and Turnabout. Other clues will surface through basketball and field hockey games, clubs and special activities. Thus we begin our quest for a solution to "The Adventure of the Lost Student."

1. Keith Carroll sells candy bars for plants and animals class. 2. Lisa Mostawfi strolls to her next class. 3. After school, Regina Rangel and her friend go to basketball practice. 4. Scott Feeney wakes up after a nap on his way to school. 5. Yoga class tries to rest. 6. Mike Darby smiles because he just received a valentine. 7. Two freshman discuss their homework.

Exhibit A is Homewood-Flossmoor High School in Flossmoor, Illinois. It consists of two buildings with many classrooms. In these classrooms much of the action takes place. These H-F students take a variety of classes. Choices range from typing to acting, from algebra to outdoor adventure, and from plants and animals to drafting. During their day, students can make breakfast, conduct a chemistry experiment, or build an engine.

1. Andy Stone is relieved that his Algebra III test has not yet been graded. 2. Kim Lavin works on her typewriter alone. 3. An outdoor adventure class takes a test. 4. A Western Civ. class takes notes during a lecture in large group. 5. Mr. Comstock helps a student. 6. Drafting is one of the exciting classes offered at H.F. 7. A typing class learns to type a business letter. 8. Andy Berner works hard on her homework.

The suspects in the case are very up-to-date in the latest fashion, music, and movie trends. They are fashionable from head to toe. Common sights around H-F are Reebok gym shoes and Guess jeans. Old standbys such as Levi jean jackets and college sweatshirts are also very popular. Students tell time according to their Swatches. Many new groups are making their way onto the Walkmans and compact disc players as well as radios and videos. Some of these performers are INXS, Whitney Houston, and O.M.D. More established groups and singers listened to are Phil Collins, Bruce Springsteen, the Rolling Stones and Talking Heads. Some of the hottest movie choices of the year are *Pretty in Pink*, *Lucas* (starring some of our own H-F students), *Down and Out in Beverly Hills*, and *Nightmare on Elm Street II*.

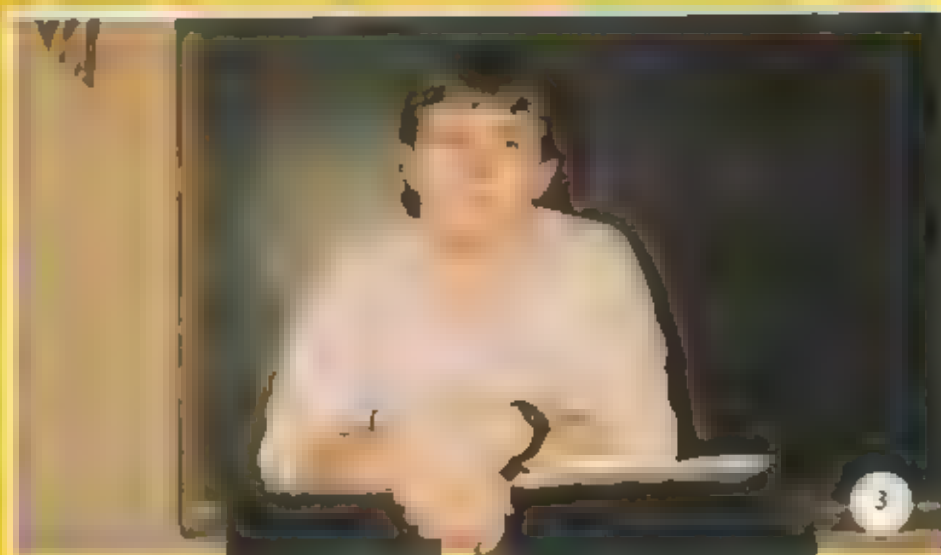

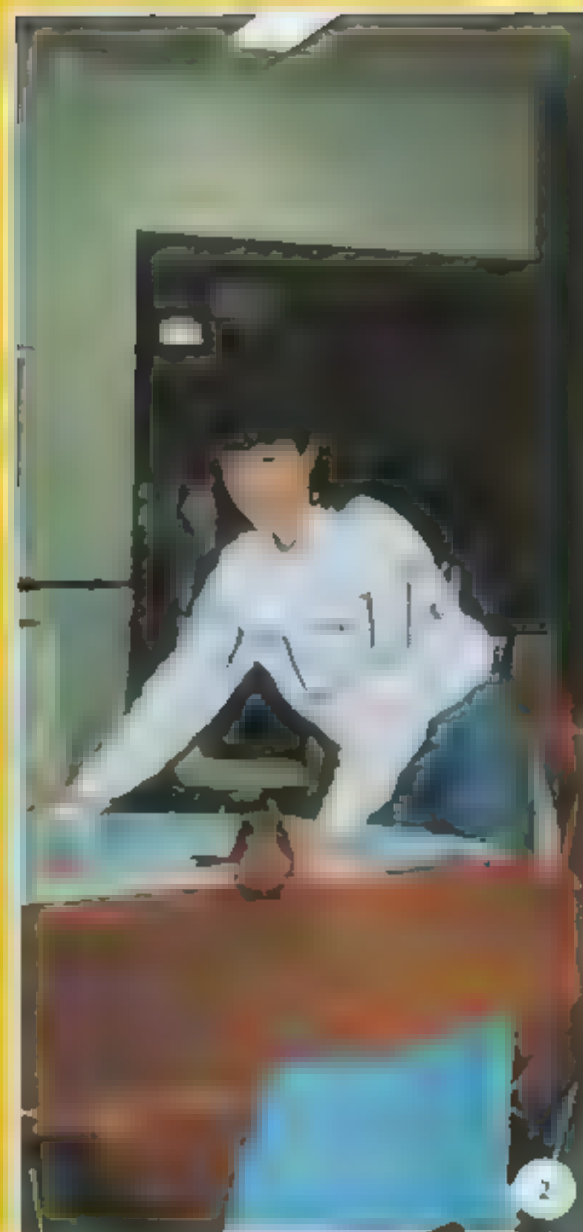

1. Reeboks took students from the school halls to gym class. 2. People wore sunglasses everywhere, all the time this year. 3. Ardis Miller and Cindy Clegg show they are in fashion by wearing stirrup pants. 4. After the Washington trip there were Virginia sweatshirts everywhere. 5. Rae Ann Wright shows off the look of the oversized shirt. 6. Swatches were the rage in 1986.

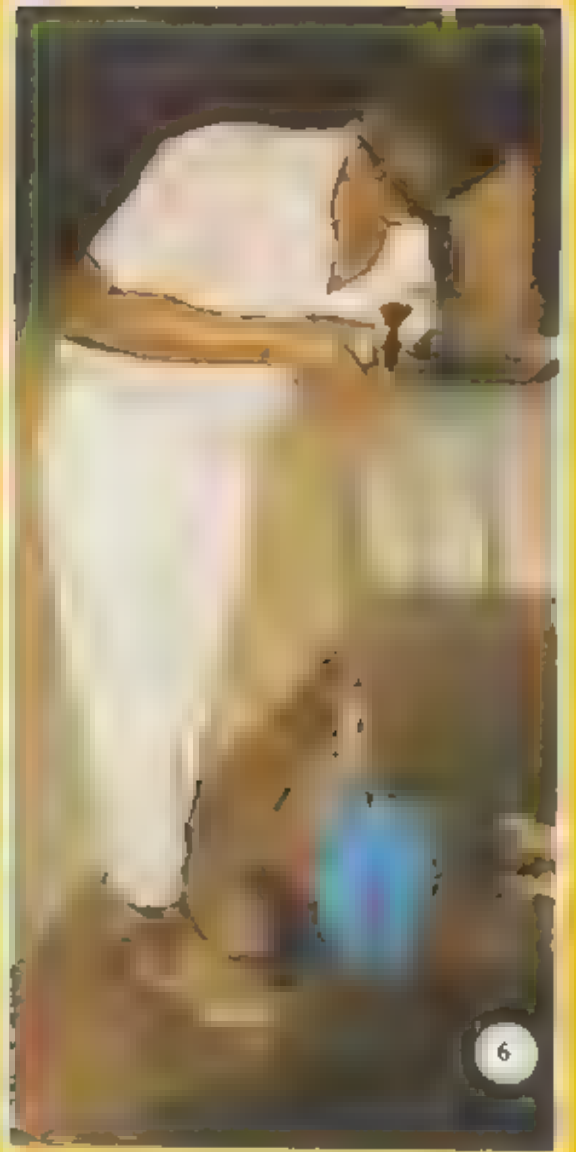

1 Chris Petrich and Jeff Fasel share secrets about Homecoming 2 Carrie Canalia and Heather Nash have lots of good times together 3 A group of Homecoming workers wait for the four thirty bus together 4 Kris Hoffschmidt, Jenny Harrell and Cindy Pierce talk about contest play 5 Jodi Adler and Dina Lawson get ready to go home 6 Mark Benzaquen and Janelle Carrier take a break during gym

The suspects involved in this case are extremely active. They play sports on teams and intra muros. They go to dances and parties on weekends. Many of the suspects are active in clubs and organizations. Working is also a common trait among this group. When they're not doing homework or talking on the phone, they love to shop and eat. They can usually be found hanging around McDonald's, Burger King, Aurelio's or Taco Bell. As a result of their active life-styles the suspects in this case are often tired. Occasionally they even fall asleep in class.

1 Excitement runs high at the Homecoming assembly run by the senior class 2 Kristen McCarty cleans up after one of the special luncheon lunches for the senior class 3 Tom Truax gives a speech in Spanish 4 Kesh Palai and his date get into the Hawaiian spirit at Homecoming 5 Amy Augustus and Alan Berlin clown around on Econ 6 Richard Storey quenches his thirst between classes

Malcolm McCarty shows one of the symptoms of senecitis

1. Randy Peach considers eating his school lunch. 2. Andy Hanks gives his "stud" look. 3. Ted Pressenda and Chrissy Ballez rush to make the eight thirty bell. 4. A bunch of friends make plans for the weekend.

Bruce Springsteen was the undisputed king of rock and roll this year. Newcomers, Whitney Houston, O.M.D. (Orchestral Maneuvers in the Dark) and A Ha hit the radio waves along with legendary rockers, Aretha Franklin, The Hooters, and Tina Turner. Also, Lionel Richie's song, "Say You, Say Me" was named song of the year. Another important event, started by Bob Geldoff, was Band Aid, a group of English performers that put on a non-profit concert that raised funds for the starving Ethiopians. Band-Aid inspired American musicians to create Live-Aid (for Ethiopians) and Farm-Aid (for American Farmers)

The Great Cross-Country Race

Children's Play

The Great Cross-Country Race, this year's children's play, was a portrayal of the classic tale of the tortoise and the hare. A cast of nineteen students presented the show on Saturday, December 14, for two performances. As the characters raced through the auditorium, audience members, young and old, cheered on their favorite contestant. Finally, the adage, "slow, but steady, wins the race," prevailed.

Additionally, H-F students had the opportunity to be lodged overnight at Harvard, Dartmouth, Yale, and Princeton. They stayed with college students.

Exchange Students

Haruna Inimoto arrived this year from Japan. Haruna got here last year on August 17 and will leave on July 5, 1986. When asked to describe American kids Haruna said, "they are American kids, a little crazy, but just American. Haruna misses all her friends, her family, and her school uniform. She finds it hard to get dressed in the morning with all the clothes to pick from. Some of her favorite foods are Chicago pizza, fried chicken, and Doritos, although she does miss sushi from Japan. She also enjoys aerobics, miniature golf and going to the dunes. Haruna was also involved in the H-F symphonic strings, symphonic orchestra, and the Chicago Youth Symphony down town for her great talent with violin. When she goes back to Japan she plans to go to Sophia University in Japan.

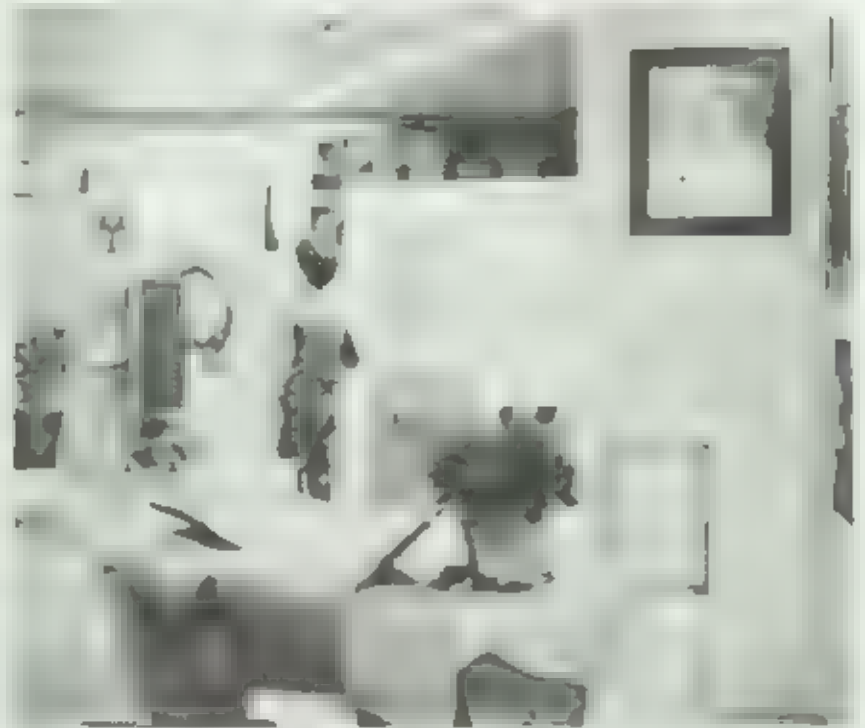

For the last year Julie Billinghamurst has had the once-in-a-lifetime opportunity of living as an exchange student in a foreign land. Julie Billinghamurst, an 18 year old student from Australia, didn't find the move here to be too difficult. Julie says "people are basically the same although their cultures are different." She especially enjoyed all the extra attention she received due to her being an exchange student. She found our school system to be much easier than in Australia with her favorite class being humanities. Julie also played on an intramural softball team and went on the Eastern Colleges Tour. Julie would love to come back to the U.S.A. and work a few years after she finishes college. She plans to study law and economics. If she does come back she would like to live in either Chicago or New York City as she loves big cities.

18 year old Jacobus Johannes Sutherland (Kobus) was the last exchange student this year. Kobus arrived on January 17th 1986 after a stop in New York. Kobus has also visited Wisconsin, Springfield, Michigan, and Washington D.C. Some sports Kobus enjoys in South Africa are: rugby, cricket, golf, squash, and target shooting. He was on the track team here at H-F. Kobus misses his own language, rugby, and his friends, but he really enjoys American food, TV, and the kids. When asked about H-F Kobus said the sporting facilities were great, he also likes the idea of wearing his own clothes, the choice of subjects you can take, and all the movies they show in class. Some of his favorite TV shows and musical performers are the Cosby Show, Yaz, Modern Talking, Jaluca, Depeche Mode, Talking Heads, and Phil Collins. When Kobus goes back to South Africa in January of '87, he plans to go to college and study in the engineering field.

Homewood Rotary also sponsored exchanges out of the country. Julie Carlson, one of last years exchange students went to Japan. Jim Patti went to Mexico. This year, Dee Brown spent the year in Brazil. Next year Rob Calhoon and Flo Speakman will also experience this great opportunity. Rob is going to Columbia and Flo is going to Finland.

Operation Snowball 1985

We are a Community of Caring. We are bonded together by similar desires and comparable motivations. As individuals, our

influence is likely to be as light and fragile as a single snowflake. Collectively, we have the force and power of an avalanche.

Operation Snowball is founded on the belief that given accurate information, every human being has the capacity to make sound decisions regarding his or her own life based on an understanding of one's self and one's motivations. It is an ongoing program about substance abuse prevention with an emphasis on teens helping teens.

Operation Snowball was founded in 1977 by a group of teens in cooperation with the Illinois Alcoholism and Drug Dependence Association. Operation Snowball has received national recognition by the office of the President and state recognition by the

Governor, Lieutenant Governor, and the legislature.

In March of 1980 the Homewood-Flossmoor High School Board of Education and Parents Association sent five teenagers and two deans to the Region 2 Operation Snowball. Since that time H-F has sponsored four Operation Snowball weekends. A total of 560 students have participated in Operation Snowball and Illinois Teenage Institute events.

It is commendable that Homewood-Flossmoor High School is the first high school in the nation to sponsor its own Snowball.

Unfortunately both Viking football teams suffered losses to the Thornwood Thunderbirds. The Saturday night dance, decorated "Hawaiian style" was the highlight of Homecoming for many people. The crowds danced to the tunes of Network.
